

## Seminars in English: MORA<sup>®</sup> Basic

- MORA<sup>®</sup> in the daily practice
- Diagnostic, Treatment, Documentation
- Additional diagnostics
- The Bio-Energetic diagnosis
- Short introduction to Holistic diagnosis
- Introduction to the system of basic regulation
- The resonance system
- Practice-related MORA<sup>®</sup> schedule
- The segment test
- The basic therapies
- Basics of electronic homeopathy
- The bio-cybernetic circuit
- Diagnosis and therapy modes
- The systematic therapy concept in Routine therapy
- Optimizing basic therapy
- Additional electrodes
- The Acute Patient
- The Chronic Patient

## Seminars in English: MORA<sup>®</sup> Advanced

- Introduction to ELH and software training
- Recap of important Bio-resonance Basics
- Elaboration of a simple test and therapy strategy
- Practical measurement exercises
- Expansion of the EAP measurement
- The lymphatic vessel according to Dr. Voll
- The importance of the eight „VOLL” vessels
- Holistic anamnesis / MORA medical history form
- The allergic circuit
- The rheumatic circuit
- The medication resonance test

## Seminars in English: MORA<sup>®</sup> Masters

- The causal therapy concept
- Elaboration of the EAP measuring point sequence list
- Strategic approach in MORA<sup>®</sup>-resonance testing
- Testing and identification of the super ordinate strain and allergic therapy blockages
- Practical Approach Using the System anamnesis questionnaire
- Testing the „Causa“ of allergic chronic disease
- Practical Application, searching for signs and symptoms of the six Tabular assigned systemic crisis (TCM) in combination with the corresponding vascular organ, According to Dr. Voll. In order to determine the constitutional weak point (KWP)
- Therapeutic Implementation MORA<sup>®</sup> Bioresonance Therapy
